Think

You have great ideas, but how do you bring them to reality? Gliffy helps you organize your thoughts.

Draw

Create professional diagrams quickly with our intuitive interface - there's virtually no learning curve when using Gliffy.

Collaborate

No need to buy expensive, OS-specific desktop software. Collaborate with anyone that has access to a web browser.

Trusted By

Testimonials

Gliffy has been extremely useful for Pandora. Our team has pioneered the use of Gliffy at Pandora and as a result of the value derived from our diagrams, many other teams are now using it to represent their ideas.

Silvana Bacigalupo-Wold
Director, Information Services

Gliffy is truly the "Swiss Army Knife" of Atlassian Add-Ons. Gliffy's reliability and flawless customer service provide Appfire with the confidence to recommend their solution to Atlassian's largest enterprise customers.

Mat Gauvin
Co-Founder / COO

Gliffy has given us a powerful yet simple way to share diagrams in our company, right on our wiki pages.

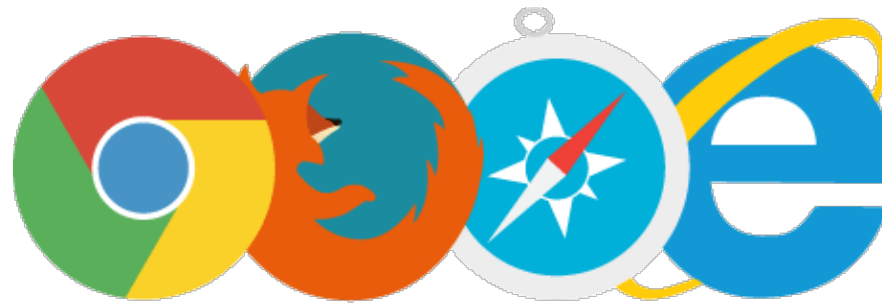

Paul Stahlke
Systems Administrator
