OVERVIEW

| ☰ Lesson 2 | > | Making a Branch Quiz |

Create an easy mode

- Create the easy-mode branch
- Checkout that branch
- Commit a change making the game easier
  — line 678

Paste the output of git status here:

```
On branch
easy_mode
```

[Review Instructions] [Submit Answer] [Continue to Answer]

👍 Correct!

Good job! It looks like you chose to name your easy mode branch "easy_mode".
